FIFTEEN AUTOS USED IN LYNCHING PARTY

SANTA ROSA, Calif., Dec. 10.—
George Boyd, Terrence Pitts and
Charles Valente, accused of having
murdered a sheriff and two detectives
here Sunday afternoon last, were
taken from the county jail early to-
day by a masked mob and lynched.
Fifteen machines carried the party.
They moved quickly down the street
to a cemetery three blocks beyond
the city limits. Ropes had been pre-
pared. The men were taken from the
machines and hanged to an oak tree
inside the cemetery. Headlights of
three autos were used to light the
tree selected for the hanging. Boyd
and Valente had been identified last
Monday by three young women as
members of the gang which attacked
them at a house in Howard street in
one of the more densely settled sec-
tions of San Francisco.

MAPLE GROVE CANDIES PLANT HAVE OPENING

Over 1,000 People Visit the
New Plant at "Pine-
hurst" Thursday

"Pinehurst," for so many years the
home of Gov. and Mrs. Horace Fair-
banks and the scene of many a so-
cial function, is still a place of
"sweetness and light," being now
owned and occupied by the Maple
Grove Candies, Inc. The plant was
opened to the public Thursday and
over 1,000 people availed themselves
of the opportunity to inspect one of
the most rapidly growing concerns in
St. Johnsbury.
The spacious mansion will be
utilized for two purposes—the rear
of the building being now the home
of the candy factory, while the large
parlors and other rooms in the front
portion of the house will be used for

MUDGETT TO BE TRIED ON MURDER CHARGE

Trial Opens at Hyde Park
Monday of Man Accused
of Slaying Girl

A grand jury of Lamoille County
Court Thursday afternoon in Hyde
Park returned an indictment charg-
ing Arthur Mudgett, 38, of Johnson,
with first degree murder. He is ac-
cused of killing Amy Shonio, 19, a
factory worker, last August.
The girl's body was found on Com-
etery Hill in Johnson four days after
she had disappeared. She had evi-
dently been beaten to death. An au-
topsy disclosed that she was soon to
have become a mother. The respon-
sible trial will begin Monday. Mud-
gett is married but has not been liv-
ing with his wife for some time.

Premier Lloyd George States New Policy To Bring About Peace In Ireland

(By the Associated Press)
LONDON, Dec. 10.—Martial law is
to be applied to certain areas of Ire-
land to put down "murder and out-
rage" and a move to bring about
conferences between the government
and Sinn Fein leaders were announ-
ced by Premier Lloyd George in the
House of Commons. In revealing
this double policy, the premier de-
clared that, under martial law, per-
sons found possessing arms after a
certain date or unauthorized persons
wearing uniforms would be liable to
the death penalty. On the other
hand to facilitate negotiations, he
announced the government had de-
cided to give safe conduct to Sinn
Fein members of the House of Com-
mons who had not been involved in
the commission of serious crimes.
Mr. Lloyd-George emphasized the
importance of the resolutions of the
Galway County Council recently
which suggested that the ban on
meetings of the Irish Republican
Parliament be withdrawn in order

that delegates be appointed to discuss
the situation with the government.
